### (vi) Institutional set-up for liquidity risk management:

Sammaan Capital Limited (SCL) formerly known as Indiabulls Housing Finance Limited is a Non-Deposit taking Systematically Important [ND-SI] Non-Banking Financial Company [NBFC] registered with RBI. The Company raises finances by using a mix of various debt instruments like

Non- Convertible Debentures, Bank Loans, and Foreign Currency Loans. On the assets side, the Company has loan products broadly classified under individual retail loans and project finance loans with varying repayment structures depending upon the nature of product.

Managing Balance Sheet of this size and complexity is of the utmost importance for the Company to earn sustainable profits and increase the wealth of shareholders. Adopting the guidelines issued by the regulator as per the requirements of the business, the Company has put in place an Asset Liability Management (ALM) Policy which enables the Company to decide upon the mix of liabilities and assets and handle the major risks associated with the management of ALM.

ALM Policy encompass the process of identifying, formulating, implementing, monitoring and reviewing the asset liability strategies in order to achieve planned financial objectives, given a clearly defined set of risks and risk tolerances and the constraints in pursuing the strategy. This document will be updated periodically to reflect evolving regulations and market conditions.

The company exceeds the regulatory requirement of LCR which mandate maintaining prescribed coverage of expected net cash outflows for a stressed scenario in the form of high-quality assets (HQLA). As of March 31, 2025, the company maintained LCR of 232% well in excess of the stipulatd regulatory norm.

**Notes:**

- 1) Total liabilities have been computed as sum of all liabilities (total balance sheet size) less Net Worth
